

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

22 April 1983

NOTE FOR: Deputy Director for Intelligence
FROM : Henry S. Rowen, Chairman/NIC

Bob --

Your piece on meeting the Soviet challenge in the Third World is superb. It is the best thing I've ever seen on this subject. The first three parts do what we have been unsuccessfully struggling to accomplish in the estimate on the Soviet Union in the Third World.
